

## FRIENDS OF THE POOR WALK REGISTRATION AND ONLINE DONATION OPTIONS

These are just a few options of the many available vendors you can consider for your FOPW online fundraising needs. **If your Conference/Council already uses an online fundraising platform, we suggest starting there to see if you can collect FOPW donations from that platform as well. This could be your simplest option!** Reach out to any you are interested in below for a demo and meeting to help you choose the platform that best fits your needs, your Conference/Council, and your event! We want this to be a huge success for you and your community.
