SOCIETY OF ST. VINCENT DE PAUL

Serving as National Vice President of the Society of St. Vincent de Paul's Southeast Region, Isabel Darcy was born and raised in Bayamon, Puerto Rico.

Isabel graduated from UCLA California with a degree in Finance and a minor in Public Relations. She began her business career managing travel agencies, then moved to New York in 1983 as a Financial Consultant with Prudential-Bache. There, she earned her CLU and LUTCF certifications. Her colleagues elected her to serve as the treasurer and later the VP of Public Relations for the New York City Association of Life Underwriters.

In 1991, Isabel moved with her husband and two children to Florida, where she helped organize the M.O.M.S. group at Queen of Peace Parish and served her local church and school communities in various leadership roles. Her family later owned and operated Apollo Beach Physical Therapy. Isabel was an active member of the community, serving as President of the Apollo Beach Chamber of Commerce, and chair of her HOA security committee. She helped organize efforts to support deployed American troops, and was involved with several fundraisers for Jesuit High School and local charities.

Isabel became a Vincentian in 2010 at the St. Anne's Conference of St. Vincent de Paul. She served a term as President, during which she helped form the St. Anne's Conference SVdP Youth Group and assisted the Central Council of St. Petersburg Diocese in hosting the 2017 National Assembly.

Isabel currently serves as President of the East Hillsborough District and directs the St. Vincent de Paul thrift store in Ruskin. She is also on the Board of Directors of SVdP CARES in St. Petersburg, Florida. She also sits on the Strategic Planning Committee of Disaster Services Corporation, and has deployed to disaster zones in Florida, Puerto Rico, and the U.S. Virgin Islands. Most recently, Isabel has been engaged in the growing Hispanic-Latino Task Force and organizes SVDP's response to the growing size and changing needs of the Hispanic community.

When not serving the Society, Isabel is a proud mother and abuela.
